## WHAT IS LFC INTERNATIONAL ACADEMY?

LFC International Academy (LFC IA) is the global youth coaching arm of LFC. Delivering the same coaching curriculum and techniques that are used with the club's own young players at the Academy back in Liverpool, LFC IA teaches participants how to play The Liverpool Way in countries across the globe.

Our LFC International Academies around the world deliver coaching programs under the guidance of LFC. Through daily communication with the technical and business teams in Liverpool, programs are planned, delivered and administered to the exact standards expected by LFC.

## WHAT IS OUR VISION?

### TO BE THE WORLD LEADER IN THE DEVELOPMENT OF CHILDREN THROUGH FOOTBALL.

As the youth coaching arm of one of the most successful football clubs in the world, LFC IA strives to be a world leader in developing children through football.

By leveraging the many strengths and assets that we have, we help young people to develop not just as footballers on the pitch, but as people off the pitch, giving them skills and experiences that will stay with them for life.

# Liverpool FC International Academy Australia

You will hear the phrase 'The Liverpool Way' used to define the LFC style of play, describe our traditions or outline plans for our future. Whatever 'The Liverpool Way' meant to players, managers, fans and employees over the years, one thing is certain; it's a unique sense of being that's lodged deep in our club culture.

One that binds us together and spurs us on to be the best. Who we are, what we are trying to achieve and why. Our guiding principles, the foundations that support us on our pathway to success, a direction of travel that will take us to the pinnacle.

## OUR VALUES

Football is about much more than just winning. Across LFC, our four core values run throughout everything we do as a club.

They influence us in how we make decisions, guide us toward doing things the right way and ensure we treat everybody with respect.

At LFC International Academies around the world, our coaches help young players to understand the values and demonstrate them in everything they do, on and off the pitch.

We recognise when our young players demonstrate these values at every opportunity, with Value Award certificates and our Player of the Month initiative both focussed on rewarding such behaviours.

Our values are:

**AMBITION** - Know that dreams are to be believed.

**COMMITMENT** - Put your heart and soul into everything.

**DIGNITY** - Earn respect through honesty and integrity.

**UNITY** - Work to bring out the best in each other.
